FERRARI N.V. SIGNS A NEW SYNDICATED REVOLVING CREDIT FACILITY

Maranello (Italy), 3 December 2025 – Ferrari N.V. (NYSE/EXM: RACE) ("**Ferrari**" or the "**Company**") announces that it has signed a Euro 350 million unsecured committed revolving credit facility, intended for general corporate and working capital purposes (the "**New RCF**").

The New RCF, entered into with a group of twelve banks, has a five-year tenor with two further one-year extension options, exercisable on the first and second anniversary of the signing date on Ferrari's request and on each bank's approval for its participation.

This facility replaces the Euro 350 million committed revolving credit facility due December 2026, which has been cancelled.

The New RCF provides a lower cost of capital as compared to the prior facility and confirms the support that Ferrari receives from a large panel of international relationship banks.
